

HAND PROTECTION

Premium Rough Finish 13-Inch Neoprene Chemical Handling Gloves

DESCRIPTION

These chemical handling gloves are double-dipped in black premium-grade neoprene for superior flexibility, quality, and durability. They are supported with a 15-gauge nylon liner which provides both comfort and dexterity. The neoprene protects against chemicals, acids, and solvents. The etched finish ensures that the gloves will excel in wet and oily applications, the gloves are 13 inches in length.
