

**LENS** **Brown Polarized****FRAME** **Woodland Camouflage**

DESCRIPTION

Wahoo® safety glasses feature a sport-inspired frame with two aggressively sculpted lenses that offer superior orbital protection while retaining a streamlined style. Equipped with adjustable TPR nose pads and dual injected TPR temples, these glasses provide comfort and slip prevention.

FEATURES

- Polarized lenses filter out bent light waves eliminating glare, eye fatigue, and decreasing reflection off surfaces such as water, sand, and snow.
- Precision lenses block blue rays, which reduces eyestrain, increases visual acuity, and protects from the long-term effects of blue light exposure.
- Aggressively sculpted lenses for superior orbital protection
- Adjustable TPR nose pads for a customized fit
- Sport-inspired design for a fashionable look
- Meets ANSI/ISEA Z87.1-2020 standards

TECHNOLOGY

All Bullhead Safety® Eyewear is made from 100% virgin materials. This style features lenses and frames constructed with the highest quality polycarbonate.
