

## Impact, Oil and Water Resistant Double Palmed Goatskin Leather Gloves

### DESCRIPTION

This premium-grade grain goatskin leather drivers glove is an outstanding leather option that features palm padding and soft, TPR impact protection added to the back of the hand. The leather is further enhanced by being both oil and water-resistant.

Each pair is individually packaged in a polybag.

### INDUSTRY

Oil and Gas	Sheet Metal Work
Lumber	Manufacturing
Construction	Farming
Masonry	Fabrication
Material Handling	

### FEATURES

- Premium-grade brown grain goatskin offers ultimate dexterity
- Proprietary oil/water resistant manufacturing process is taken to ensure these added benefits last longer compared to a spray on treatment
- Double palm with gel padding provides vibration dampening and extra durability
- Soft, flexible, TPR impact protection over the fingers and metacarpal bones provides tough protection
- Sewn with aramid fiber for added durability and heat resistance
