

DESCRIPTION

The inside of the GC24 features soft foam padding on both sides with a padded divider between. Specialized cut-outs house 24 individual glasses (12 per side). A zippered pocket on the front provides extra storage, while the removable, adjustable shoulder strap includes a moveable shoulder pad. It zips closed and the center divider can be secured with hook-and-loop closure.

FEATURES

- Removable and adjustable shoulder strap
- Pockets: One - (1) outside front of the bag with zipper closure
