

FROGWEAR™ KNEE PROTECTION

Premium Hinged, High-Visibility, Non-Marring Knee Pads

ITEM **KP461N**

DESCRIPTION

These non-marring, premium, knee pads feature a soft, formed, PVC cap with a padded hinge design to increase user comfort when worn for extended periods. The closures at the thigh and calf are adjustable and feature buckles for easy donning and removal. They are ergonomically curved for a comfortable fit. Each pair is individually hang-tagged for retail sale.

FEATURES

- Non-marring, premium style
- Padded hinge design at the top allows the strap to be higher above your knee cap for improved comfort while walking and bending your knees
- Two layers of lightweight padding for extra cushioning comfort
- Brass riveted PVC form-fitted swivel cap
- Great for use on carpet
- Ergonomically curved fit
- High-visibility yellow/green adjustable clip-on closures with reflective striping and locking buckles
